## Nuls Series

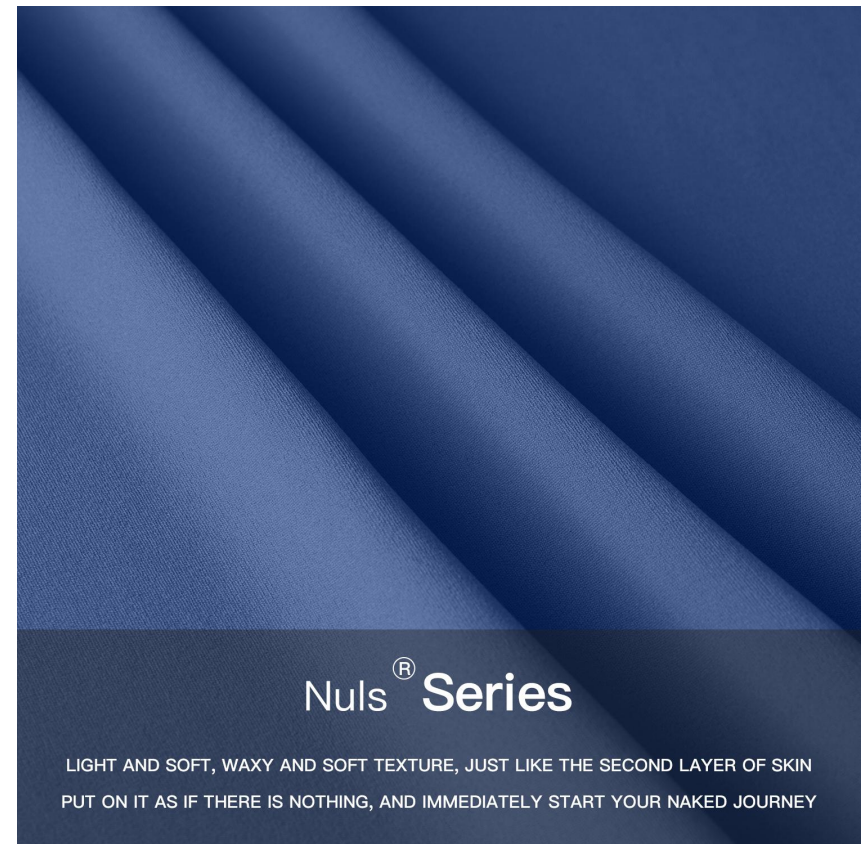

Features: A material that follows the same model and weaving process as Lululemon's renowned NULU series. Designed and customized to perfection, our skin-friendly nude fabric offers a feather-light and comfortable feel, allowing you to fully immerse yourself in your practice without any sense of burden.

Pursuing the ultimate nude experience, the fabric is light and breathable. On this basis, our anti-pilling process has been rigorously tested for 2500 felt pilling inspections, achieving an impressive level 4, better than Lululemon's level 3, allowing for unrestrained, easy, and free movement.

Ingredients: 80% Nylon 20% Spandex

Gram weight: 220 Grams

Function: A Yoga Classification

## Nuls Free Series

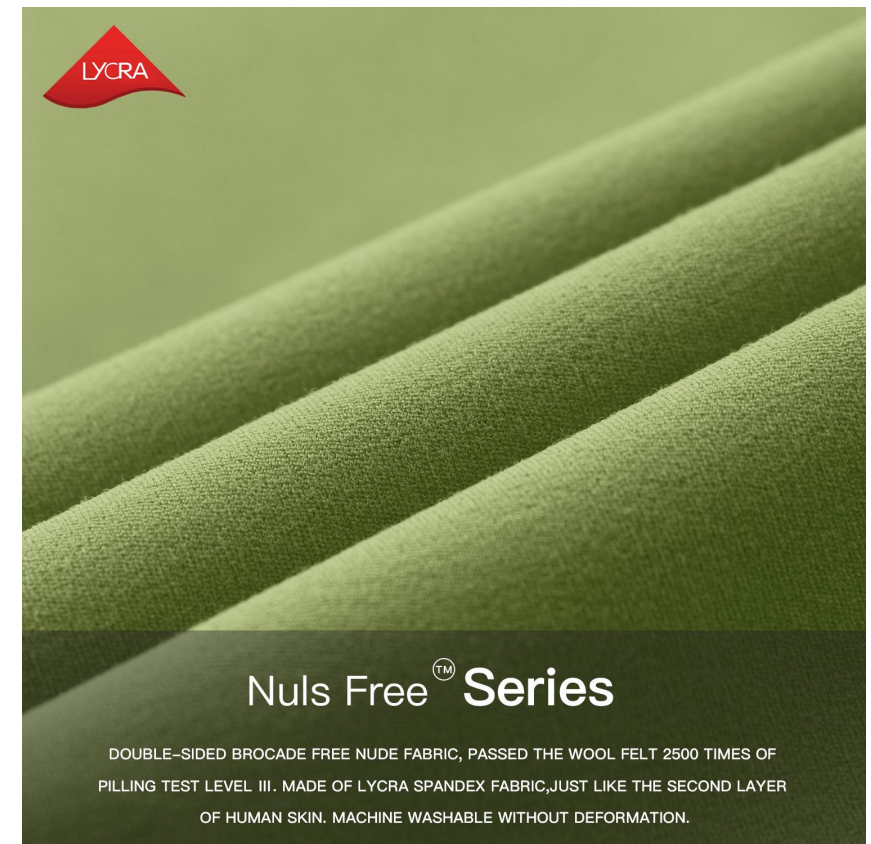

Features: Indulge in the luxury of our activewear crafted from high-quality Lycra spandex fabric, known for its exceptional resilience and remarkable durability. Experience peace of mind with a fabric that withstands machine washing without losing its shape or soft hand feeling. Our commitment to excellence is evident in the rigorous testing our fabric undergoes, passing the wool felt 2500 times of pilling test at level 3.

Bid farewell to the challenges of managing stock levels with our diverse range of sizes and colors. Our approach alleviates the pressure of excess inventory, ensuring a smoother inventory turnover rate. Elevate your activewear experience with our premium Lycra spandex fabric, combining style, comfort, and practicality effortlessly.

## Nuls Series

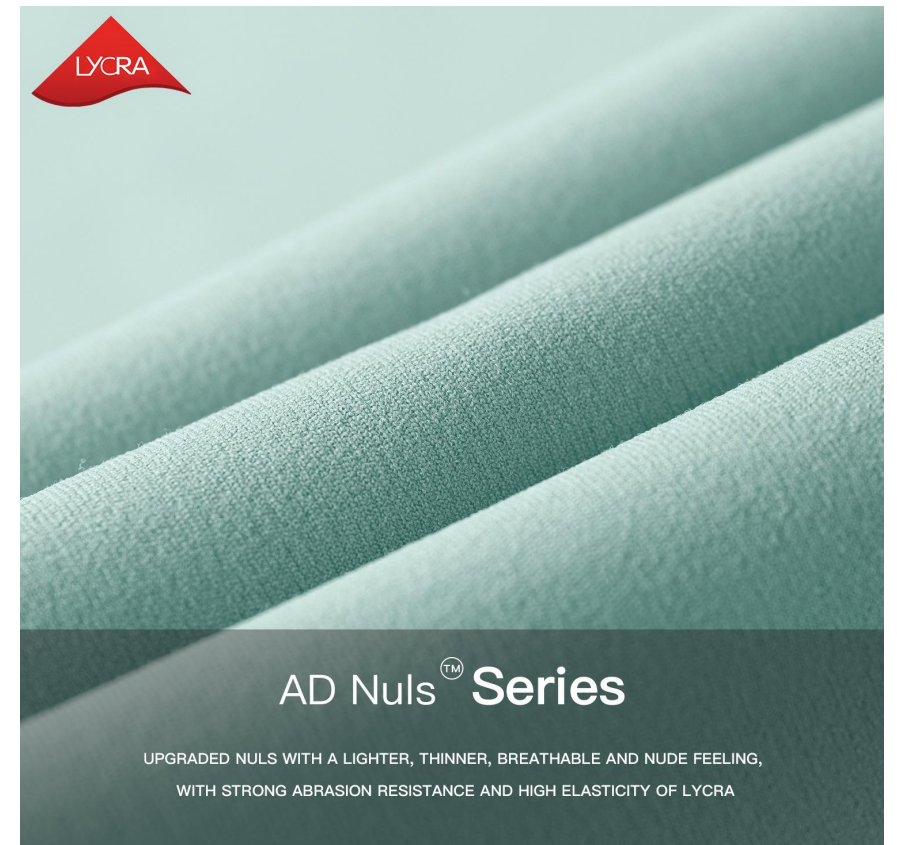

**Features:** Introducing our premium nude fabric, the High-end Nude NULS, a fabric that sets the benchmark with the same quality as Lululemon's renowned NULU series. Meticulously crafted from imported PA66 Nylon and American DuPont Lycra, our fabric undergoes an additional carbon sanding process, resulting in an even softer and more luxurious feel.

We take pride in the durability of our High-end Nude NULS, subjected to rigorous testing with 2500 cycles of wool felt pilling inspection, achieving an impressive 3.5-4 level rating. This ensures that our fabric maintains its impeccable quality even after extended use.

## Nuls Rib Series

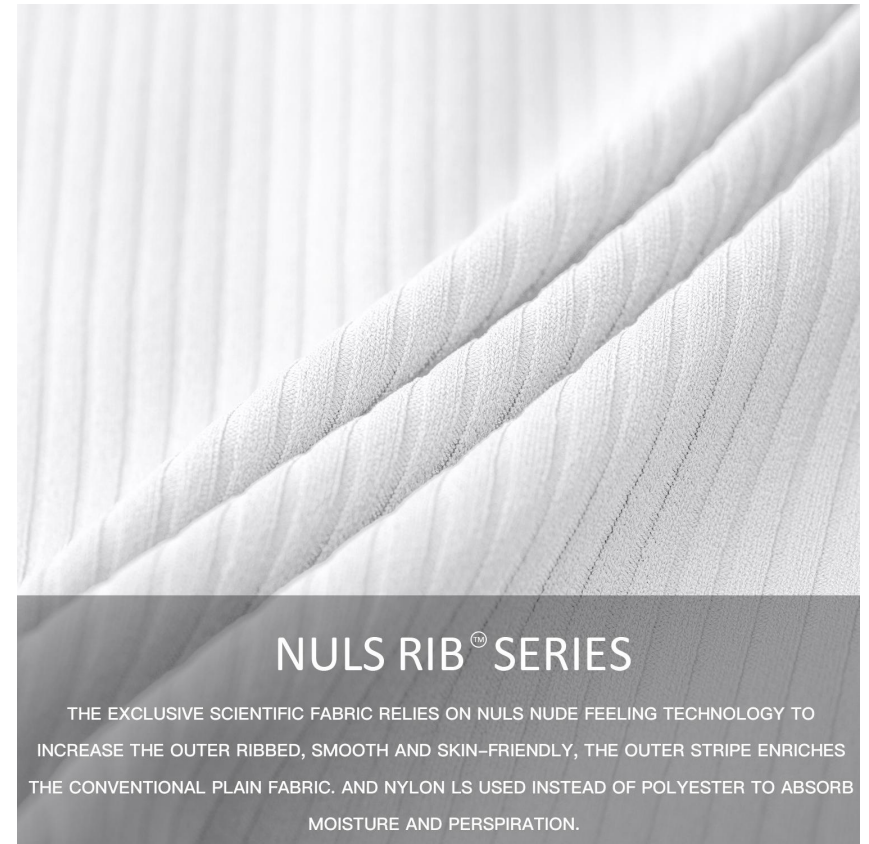

Features: We've enhanced the fabric with outer ribbing, ensuring a smooth and skin-friendly touch that takes comfort to the next level. The addition of outer stripes adds a stylish twist to the conventional plain fabric, giving your workout wardrobe a fresh and modern edge.

We've swapped out polyester for nylon in our fabric blend. Because nylon excels at moisture and perspiration absorption, keeping you cool and dry during your most intense workouts. Embrace the fusion of style and functionality with our scientifically crafted fabric, designed to support your active lifestyle with unparalleled comfort and performance.
